

# INSTRUCTIONS

Incomplete, illegible, or incorrect entries will be returned.

Please fill out the other side exactly as called for in the following instructions:

1. Please print the information in the blank spaces provided. It is important that you print clearly and precisely as most of the errors are not "typo" problems, but the results of our inability to read the forms. Do not abbreviate city names.
2. Make sure we have complete personal information for the Team Captain including name, address, the Captain's member number, daytime phone number, home phone number, and CCS Competition Number.
3. Team Captain must possess a current ASRA or CCS Competition License.
4. Please give us three choices for your competition number. We will assign you the first number available in the computer. You must run this number in all Team Challenges to have your points properly assigned
5. Give us the correct information for the class registration (GTL, GTU or GTO) for which you are applying. If you fail to circle the class you are registering for, you will be placed in GTO. In the event of duplicate Team Names being requested, we will use the date the registration was received as the deciding factor in the assignment of names. ASRA reserves the right to refuse or edit inappropriate or offensive Team Names. ASRA shall have the final say on whether a name is appropriate.
6. Please complete the rider listing with member number of those who are riding with you at a particular event. Each rider must have a current CCS or ASRA license to compete. Remember a total of five riders may be used in a single season.
7. Read the release and sign on the signature line.
