Volume 36, Issue 2

August 29, 2019

36th Annual R. O. C. Pre-Entry is Open Until October 4th

The 36th Annual Race of Champions pre-entry is officially open and inside are the official entry, camping and garage rental forms along with the Official Event Schedule. If you'll look at the schedule, you'll see that the Race of Champions also includes the final events for the AMA Sanctioned ASRA Sprint Series presented by Pirelli Tire and the 55-lap ASRA Team Challenge presented by Michelin Tire.

For the CCS National Championships, your first class pre-entry is \$130, each additional class is \$95. As in the past, the first CCS pre-entry includes your Hot Pit Credential, a \$65 value. For those who choose to post enter the event, it will be \$100 per class plus you will have to purchase a credential. Classic and MotoGirlGT entrants should use the standard form from the CCSracing.us website. **Please remember all (ASRA & CCS) participants must have a current AMA Membership since this is an AMA Sanctioned event.**

Pre-entry fees for the ASRA Sprint Series will remain \$95 per class and DOES NOT include your credential. (Hint: Pre-enter a CCS class too and

get your credential included!)

ASRA Team Challenge pre-entry will be \$200 per class, this entry will not include any credentials. Teams should remember that all riders must arrive and sign in before practice ends on Saturday to be eligible to race. Team Challenge registration closes at 9:00am Friday. (Please remember the Team Challenge requires a MyLaps transponder.)

Credential fees for the event are \$65 on Thursday, \$60 on Friday, \$50 on Saturday and \$25 on Sunday.

For those wishing to practice on Friday, contact Team Hammer at (951) 245-6414 for entry in the October 19th practice and Advanced School event.

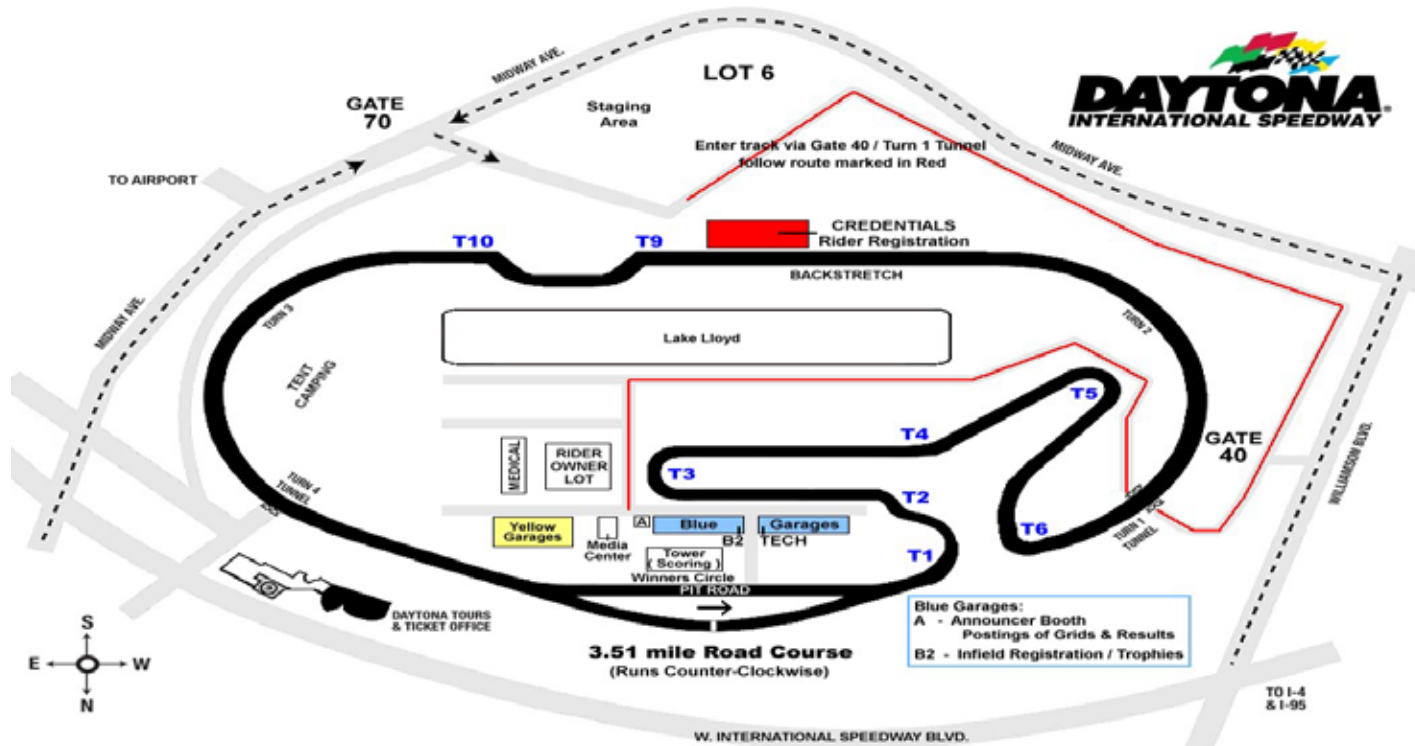

Following the weekend of racing, we will host our National Awards Presentation Ceremony in the Drivers Meeting Room on Sunday the 20th of October. This ceremony is free to everyone. National Champions Presentation to start 60 minutes after the last checkered flag for the weekend.

Registration Area and Track Entrance Through Gate 70 Off Midway Ave

Since it has worked well in the past during the Race of Champions, Daytona has asked us to continue to stage by the Backstretch Ticket Booth off of Midway Ave through Gate 70. (Following the light blue path to the Staging Area.) Once in the lot you will be instructed to park and take the very short walk over to the Backstretch Registration Building to get your paperwork and credentials for the event.

Once properly credentialed on Thursday, you will be allowed to follow the service road (the red colored path) around to the Turn 1 Tunnel and then into the facility. **(For those with Rider/Owner reservations that arrive on Wednesday, you may use the R/O camping on Wednesday but there will be no paddock or garage entrance until the garages open at 1:00pm on Thursday.)**

For those who have their credentials, you will be allowed to use Gate 40 off Williamson after 12:00pm on Thursday to enter the facility, Please follow these simple directions and enjoy the 34th Race of Champions at Daytona International Speedway!

Age Restrictions: You must be at least 16 years of age to race at Daytona except the following: Minors between the ages of 14 and 16 are limited to Moto 3, 300 SuperSport, 300 SuperBike, 500 GT, 500 SuperSport, 500 SuperBike and ASRA Moto 3

Fees: The 2019 pre-entry fees for the Race of Champions at Daytona are **\$130** for the first CCS class, and **\$95** for each additional CCS class. And as in previous years, pre-entry fees include your full-event gate pass, a **\$65** value. The only exception to this are the ASRA races, (Moto 3, ThunderBike, SuperStock and SportBike). Those will be the **\$95** pre-entry fee as a National sprint class and will **not** include your gate pass. Post entry fees for races that have not reached 80 machines on the grid are now **\$100** for each CCS class and they do not include your gate pass, which will cost you **\$65** for those signing in on Thursday, **\$60** for those signing in on Friday, **\$50** for those signing in on Saturday, and **\$25** for those who come on Sunday morning. All ASRA classes will be their standard post-entry fee of **\$100** for Moto 3, ThunderBike, Superstock and SportBike.

CCS Gridding: 2019 Expert National Champions who pre-enter will be given Pole Position. The remaining pre-entered riders for the Race of Champions will be gridded by regional ranking as of **October 4, 2019**, with the riders leading the points in their respective regions on the cut-off date placed on the grid first, then all the riders who are ranked second placed on the grid behind them, and so on until all riders who have scored points are on the grid by their ranking. Riders who do not have any regional ranking will be placed at the back of the pre-entered riders with points by order of entry. All post entrants will be placed on the grids

by order of entry.

ASRA Gridding: While the ASRA classes will pay points towards the 2019 National Championship, all those classes will be gridded by qualifying sessions Saturday morning. All pre-entries for Daytona must be received by **October 4, 2019** at 5PM. Any entries received after that date and time are subject to return without processing. Please return them in enough time to allow for delivery delays. Due to our agreement with Daytona, there will be no cancellations or refunds allowed after the **October 4, 2019** pre-entry deadline. All entries or cancellations must be received in the Fort Worth office by that date.

Garage Rentals: For those teams who would like a garage for the event, the fees are **\$300** for the roll-down units, (no interior walls), and **\$150** for the open-air spaces. Riders who have rented garages will be entitled to that unit and are welcome to put as many people as will fit into their space without causing a problem with your neighbors in the garages next to you. If there is a problem, we will remove all but the rider that originally rented the unit and his machines. **Garage rental from must be returned by mail or fax to the CCS office before October 4, 2019. Fax to 817-246-2977 or mail it to ASRA/CCS, 9928 Peregrine Trail, Fort Worth TX 76108.**

36th Annual CCS R. O. C. Number Regulations

As the season has progressed, **once again** we have seen more and more “stylized” numbers and numbers with highlights around the numbers. These numbers are specifically not allowed by the 2019 Road Race Rules and Regulations. If you have these numbers on your bike when you come to tech at the Race of Champions, you will be turned away without a tech sticker for the event.

5.3.6 Numbers must be black and approximately 6” high and 1” wide, of standard block lettering with no shading, outlining or serifs. Number must be spaced approximately 1” from each other as well as the edge of the plate or display area. 6” or 4” numbers may be used on the rear plates as long as the number is clearly visible at speed. All numbers on any display must be the same size.

5.3.7 The following samples show the type style required to comply with these rules:

1 2 3 4 5 6 7 8 9 0

5.3.8 Number plates must be free from any stickers or sponsorship logos except as required by specific class rules.

5.3.9 Final approval of non-compliant number display will rest with the Race Director or Referee.

AMA Membership Required For Race of Champions Entry

For 2019 and 2020, all ASRA/CCS combined events will require the racer have an AMA membership. This will allow ASRA/CCS riders to qualify for Moto America licenses easier along with reducing the Moto America practice ban to 7 days instead of the current 30 days for non AMA sanctioned events. AMA 1-event memberships are available but if you are attending more than one ASRA/CCS event a full membership is encouraged.

Rules Committee Suggestions Open Through October 30th

It’s that time again, time for you to submit your rules change suggestions for the Rules Committee to consider for inclusion in the 2020 rule book. The Committee is comprised of several racers, officials and technical consultants, and every suggestion is reviewed from all aspects by each group before being voted on and passed on to the President of ASRA/CCS, Kevin Elliott, for final approval on November 15th, 2019. To insure adequate time to discuss your suggestions, all input should be received in Fort Worth by October 30, 2019.

At this time we have very few requests for changes to the rules for 2020 so please do not hesitate to send

your requests into the office as soon as you can.

Remember, the 2019 Rules Committee is authorized to consider any recommendation submitted by a licensed racer with CCS or ASRA, so that means you should let them hear your opinion on the items printed here or anything that you believe they should discuss before making their final recommendations on November 16th.

As always, should you have any question about this information, please call the Fort Worth office at 817-246-1127, send an e-mail to info@ccsracing.us or visit us at WWW.CCSRACING.US for updates on current suggestions.
