### **2018 Sunday Race Grid Format Change**

All CCS Twin Sprint events will grid Sunday's races by the Saturday finishing results provided you're entered in both days prior to Saturday's race. If you're not entered for both days on Saturday, you will be placed on the grid in order of entry behind those riders who competed on Saturday.

Since the #1 requested change for several years is to have grids based by qualifying, points or heat races, this is our opportunity to test whether the majority of racers really prefer this to our traditional order of entry procedure. We have decided that using Saturday races would satisfy the requirement of separate sessions to maintain the integrity of the machines meeting the class rules. This makes gridding by Saturday finishes in effect heat races for Sunday's races. Good luck and enjoy the format!
